WOAH...
CALM DOWN, BUDDY.

WHAT'S GOT YOU
SO WORKED UP?

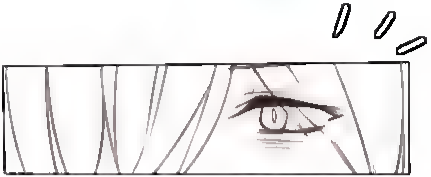
D-DID I DO SOMETHING WRONG AGAIN?
I SEE THEM LOOKING AND HEAR THEM TALKING...
IT'S SO UNCOMFORTABLE
IT FEELS MORE LIKE WE'RE BOTH THE

CENTER OF ATTENTION...
IT DOESN'T SEEM TOO BAD THOUGH.

Just forget it. I don't really see anything wrong with us.
Let's just get to class already.

HOW EVERYONE ELSE SEES THEM:

ANGRY DELINQUENT
+
GLOOMY, QUIET KID
OK..



ANNA?

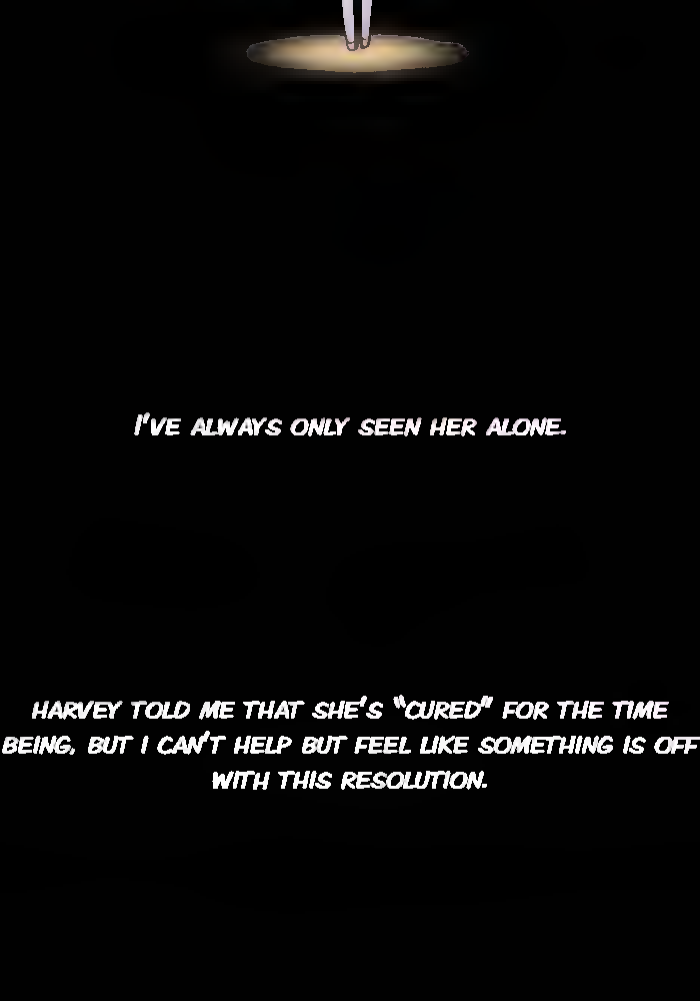
HARVEY EXPLAINED THAT AFTER THE DEFAECO, ANNA WILL RETURN TO BEING "NORMAL", AS IF NOTHING HAPPENED.

He said that a successful defaeco seals in the Timorem along with the host's problematic fear.

From my understanding, Anna should no longer have the fear of losing contact with her friends or being alone.

But from how I see it, Anna's been looking lonelier than ever.

I don't know if she's even making any more friends ever since her seniors graduated in the spring.



I'VE ALWAYS ONLY SEEN HER ALONE.
HARVEY TOLD ME THAT SHE'S "CURED" FOR THE TIME BEING, BUT I CAN'T HELP BUT FEEL LIKE SOMETHING IS OFF WITH THIS RESOLUTION.

BUT WHAT DO I KNOW?

MAYBE THAT'S WHAT'S SUPPOSED TO BE CONSIDERED NORMAL TO ANNA....
